**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a competitive provider because quality and service from both my incumbent phone (AT&T) and cable (Comcast) companies was terrible. They ran false advertising about how fast their speed would be - it never was close to what they promised. And getting any kind of change or help with service took forever. We got fiber internet now and it is much better, thanks to my competitive provider (Sonic). I also get my phone from Sonic now too.
